Dear Parents, Guardians, Carers and Students,

Uniform Consultation – February 2010

The wearing of school uniform promotes the school identify both within the school and across the whole community. Over the past few years Brakenhale has almost doubled in size and become a school of choice with a waiting list for Year 7.

We regularly review our school uniform to ensure it is suitable, easily available and affordable. The correct wearing of school uniform helps to foster a positive learning environment.

The aims of School Uniform are:

- It maintains the ethos of the school
- Equality
- Simple and smart

The School Council has regularly discussed ideas about school uniform, and the pride they take in being identified as Brakenhale students. They recently took a proposal to the Governing Body to hold a consultation on how our school uniform could be improved.

We are inviting parents/carers and students to discuss the proposal with their children and complete the attached consultation questionnaire feedback section. The completed feedback form must be returned to your child's tutor by Friday 5th March 2010. The documents can also be downloaded from the school's website and emailed back to ltheal@brakenhale.bracknell-forest.sch.uk

Your views are important to us so please take time to complete the form. Thank you for your continued support.

Yours faithfully
