T:\2009-2010\School Office\Letters\Letters to parents\Year 11\Study support programme.doc

28th September 2009

Dear Parents, Guardians and Carers of Year 11 students

In order to support your son/daughter to achieve the best possible GCSE results we have established a study support programme which is enclosed with this letter. The programme will run after school on each day commencing on Monday 12th October 2009.

The study support sessions are open to all Year 11 students however some subjects might invite your son/daughter to attend their study sessions as their teachers feel he/she will particularly benefit from the extra tuition. If this is the case, you will be contacted by the relevant Head of Department and the subject teachers will liaise and inform your son/daughter which sessions they should attend to avoid any clashes.

The study support programme gives Year 11 students an opportunity to improve their performance and enhance their GCSE grades. The expectation is that those Year 11 students who are invited to attend study support sessions will take up this opportunity and commit themselves to attending all the relevant study sessions.

Also, I am seeking your support to ensure that your son/daughter attends any session to which they are invited. I am confident that by working together we can support your children, our students to achieve the best results possible.

Please do not hesitate to contact me at school if you wish to discuss the programme further.

Yours faithfully

Mr D R Smith
Deputy Headteacher
